Obedience Group Class Equipment List

The first part of our first class will be classroom, a notebook or note pad and pen to take notes (do not worry there's not a test LOL).

Do Not Feed your dog before Class. We want him/her hungry for treats and they will pay more attention to you.

3ft, 4t, or 6ft leash. Material does not matter.

Poop bags. I have a plethora of bags in my van so if you forget your just ask me for one. Everyone is expected to clean up after their dog. If this becomes a problem, I will have to add an inconvenience fee.

Favorite Toy. We will be testing drive during this first class to see if your dogs like treats or toys better to work with.

Treats & Treat bags. The treats need to be different from the treats you give at home. I use hot dogs; you can slice them up and they are the perfect treat. Or string cheese, or Bil-Jac treats (can be found at any Petsmart or Feeder's Supply).

Flat Collar. We like to start bottom of the collar spectrum and work our way up. If your dog is medium size and up, we will most likely suggest a prong collar, so you have control. Every case is different, and we will not know until we see you and your dog. So, we will start with a regular flat collar.

And lastly **Please bring proof of Vaccinations** (the ones we are worried about is Rabies, Distemper and Bordatella Vaccines). Unless you have already sent it to us.

If you have any questions at all about what to bring, please don't hesitate to get in contact with us;
